To Family partners and Elders of Porteous and Stensrud Lodges,

The Saskatchewan Health Authority and Jubilee Residences continues to take steps to ensure our most vulnerable populations are protected during the COVID-19 pandemic.

This letter is to inform you that all residents in our long-term care homes are eligible for a fourth COVID-19 vaccination. This is in response to growing evidence that immunity against COVID-19 wanes after a period of time, particularly in our elderly population, and a fourth dose will continue to provide you with additional protection.

Vaccinations will be taking place in your home beginning in February. If you do not wish to receive the COVID-19 vaccine, please inform your Director of Care immediately.

Should you have any additional questions or concern, please reference the additional information available on the [Government of Saskatchewan COVID-19 website](#).

Respectfully,

Laurie A. Marple RN
VP Quality Care & Safety
Jubilee Residences
